The screenshot shows a web browser window with the address bar displaying 'app.cubi.casa'. The page features the Greater Fort Worth Association of Realtors logo at the top. The main headline reads 'Add a Floor Plan with Room Dimensions to Your Listings - For Free!'. Below this, a section titled 'Why use CubiCasa floor plans on your listings?' lists three benefits: accurate measurements, helping buyers, and standing out from the rest. To the right, an image shows a hand holding a smartphone displaying a room scan and a laptop displaying a listing with a floor plan overlay. A green button at the bottom left says 'Sign up. Scan. Done.' with a small robot icon.
